# PM: Procure medicines, medical supplies direct from manufacturers

**T**he Government has said procurement of medicines and medical supplies direct from manufacturers has proved to be cost effective and therefore was the appropriate way of acquiring these goods in the country.

Presenting budget estimates for his office for the Financial Year 2017/18 in Parliament in Dodoma recently, Prime Minister Kassim Majaliwa, while not revealing the savings obtained after the Government adopted the arrangement, said next year's budget for procurement of medicines and medical supplies would be increased to 251bn/- from last year's figure of 31bn/-.

He attributed the new figure to the Government's determination to improve availability of health services by constructing more health centres and pharmacies as well as enhancing the public's accessibility to medicines and medical supplies.

Minister for Health, Community Development, Gender, Elderly and Children Umyy Mwalimu was quoted in the media recently as saying that procurement of drugs and medical supplies would now be directly from manufacturers "as this would ensure value for money."

## Musoma council road tender to proceed despite anomalies

**T**he Public Procurement Appeals Authority (PPAA) has ordered Musoma Municipal Council to conclude the tender process for upgrading Musoma Municipal Council's urban roads to bitumen standard despite its failure to handle properly a complaint from an aggrieved bidder against its intention to award the contract, TPJ has learnt.

According to the proceedings of the appeal availed to TPJ, the appellant, Nyakirang'ani Construction Ltd, was aggrieved by various decisions of the council including not awarding him the contract although he had quoted the lowest price, not informing him reasons for disqualification, which they came to know

incidentally through the council's replies to the statement of appeal as being presentation of an invalid bid security.

Apparently, in the letter of clarification dated 8th December 2016, CBA Bank had informed the council that the bid security would expire on 24 May 2016, which the appellant argued it must have been simply a typographical error which the respondent should have ignored.

The appellant also submitted that the respondent's award proposal contravened the law since he had quoted the lowest price of 12.2bn/- VAT inclusive only to be shocked later by information that the price of some proposed winner was now 9.9bn/- VAT exclusive and, further to that, the council

refused to entertain the appellant's application for administrative review on the matter.

The respondent, on his part, argued that the appellant's tender was disqualified at the preliminary evaluation on failure to comply with bidding document and that the notice of intention to award informed the appellant that his tender had not been responsive, citing several grounds.

For a start, the respondent said the appellant had submitted a defective bid security in that while it bore two stamps, it lacked signature of the authorizing personnel. However, the respondent went on to explain that while he later sought and got the bank's affirmation on validity of the bid security, the bank

stated further that the security would expire on 24 May 2016, meaning it had already expired thereby rendering the tender non responsive.

Moreover, the respondent claimed that the appellant's tender was also disqualified for failure to attach certified copies of legal documents, contrary to the requirements of the tender document.

On the issue of reduction in the price quoted by the proposed successful tenderer, the respondent submitted that the changes were caused by two factors; namely, deduction of VAT and negotiations. He explained that while the correction of errors had at first increased the price to 14bn/- it later came

down after deducting VAT since the project is funded by the World Bank and therefore not subject to VAT while the balance was subjected to negotiations as per the procurement law, bringing it down to 9.9bn/-.

Lastly, on the alleged refusal to handle the application for administrative review, the respondent said there was evidence in writing to refute the allegation.

In determining the grounds of the appeal, PPAA observed that since the validity of the appellant's bid security had been confirmed to the respondent by the bank, it was not proper to disqualify the appellant's tender on those grounds. However, PPAA also observed that the appellant's disqualification on a failure to attach certified legal documents was fair, as the attachment was required by the tender document.

On whether the award to the proposed successful tenderer was justified given the fact that the read out price for that tenderer was 13.9bn/- VAT inclusive, later increasing to 14bn/- after correcting computational errors, first PPAA observed that the respondent was right to subtract the VAT amount and to bring the sum to 11.9bn/- since the project was funded by the World Bank and therefore VAT exclusive. Furthermore, PPAA concluded that as negotiations brought down the price, the award to the proposed successful tenderer was proper and justified.

On the matter of the appellant's application for administrative review, PPAA found that while the respondent had rightly handled it as such, he erred in law by failing to provide the appellant with specific reasons for his disqualification until the matter was brought before it. This point notwithstanding, PPAA concluded that the appellant was fairly disqualified; both partly dismissed and partly upheld the appeal and allowed the respondent to proceed with the tendering process.

Furthermore, PPAA ordered the respondent to compensate the appellant the sum of 2,200,000/- which include appeal filing fees and other costs incurred by the appellant in respect of the appeal.

# Waandishi waaswa kubobea katika habari za manunuzi

**W**aandishi wa habari nchini wamesisitizwa kuwajibika kwa jamii kwa kuongeza wigo wa kuripoti habari za manunuzi yanayofanywa na taasisi za umma ili kuhakikisha kuwa yanakuwa na tija kwa ustawi taifa.

Rais wa muungano wa vyama vya waandishi wa habari nchini (UTPC) Bw. Deogratus Nsokolo, ametoa wito huo hivi karibuni mjini Dodoma wakati wa mafunzo ya siku tatu juu ya namna ya kuripoti habari za manunuzi ya umma.

Bw. Nsokolo amewataka washiriki wa mafunzo hayo kutumia uelewa waliouputa kuongeza kasi ya kuripoti vitendo vinavyoikwamisha Serikali katika kutekeleza miradi mbalimbali ya maendeleo ikiwa ni pamoja na manunuzi ya vifaa na hudu-

ma. Amesema kupitia mafunzo hayo, wamegundua kuwa manunuzi ya umma yanatumia sehemu kubwa ya bajeti ya Serikali na kwamba vyombo na waandishi wa habari hawana budi kujitafakari namna wanavyoweza kuisaidia jamii kwa kuhakikisha taasisi za umma zinafanya manunuzi yenye tija kwa jamii na kwa kuzingatia sheria na kanuni zinazosimamia sekta hiyo.

"Ni vizuri tukatumia fursa ya mafunzo haya kama mwanzo wa sisi kuanza kuwajibika moja kwa moja kwa jamii kwa kufuatilia michakato ya manunuzi mbalimbali yanayofanywa na [taasisi za umma]," alisema Bw. Nsokolo.

Naye mwakilishi kutoka

baraza la habari Tanzania (MCT) Bw. John Mirenyi, aliwataka washiriki wa mafunzo hayo kutumia fursa hiyo kama mwanzo kwa wao kujiendeleza kwa ajili ya kubobea katika uandishi wa habari za manunuzi ya umma.

Mafunzo hayo ya ubobezi wa uandishi wa habari za manunuzi ya umma yanahitimisha mfululizo wa mafunzo kama haya katika kanda nne ambayo yalijumuisha waandishi kutoka mikoa yote ya Tanzania Bara kutoka vituo vya televisheni, radio na magazeti.

Mafunzo hayo yaliratibiwa na PPRA, chini ya ufadhili wa shirika la maendeleo ya kufundi la Ubelgiji (BTC) kupitia mradi wa kujengea uwezo halmashauri katika kufanya manunuzi.

## Sahihisho

Katika toleo la TPJ la tarehe 28 Machi 2017, tulichapisha habari iliyokuwa na kichwa cha habari "Rufaa dhidi ya manispaa ya Dodoma yakosa mashiko, yatupwa". Katika habari hiyo, aya ya pili kutoka mwisho, kulikuwa na makosa kwani ilipaswa kusomeka "Aidha, Mamlaka ilijiridhisha pasi na shaka kuwa mlalamikiwa kutompa barua ya taarifa ya tuzo mrufani ilikuwa ni kosa, ingawa kosa hilo lisingeweza kumuathiri mrufani kwani alienguliwa katika hatua ya awali ya tathmini."

Tunaomba radhi kwa wasomaji wetu kuhusu kosa hilo. - Mhariri
